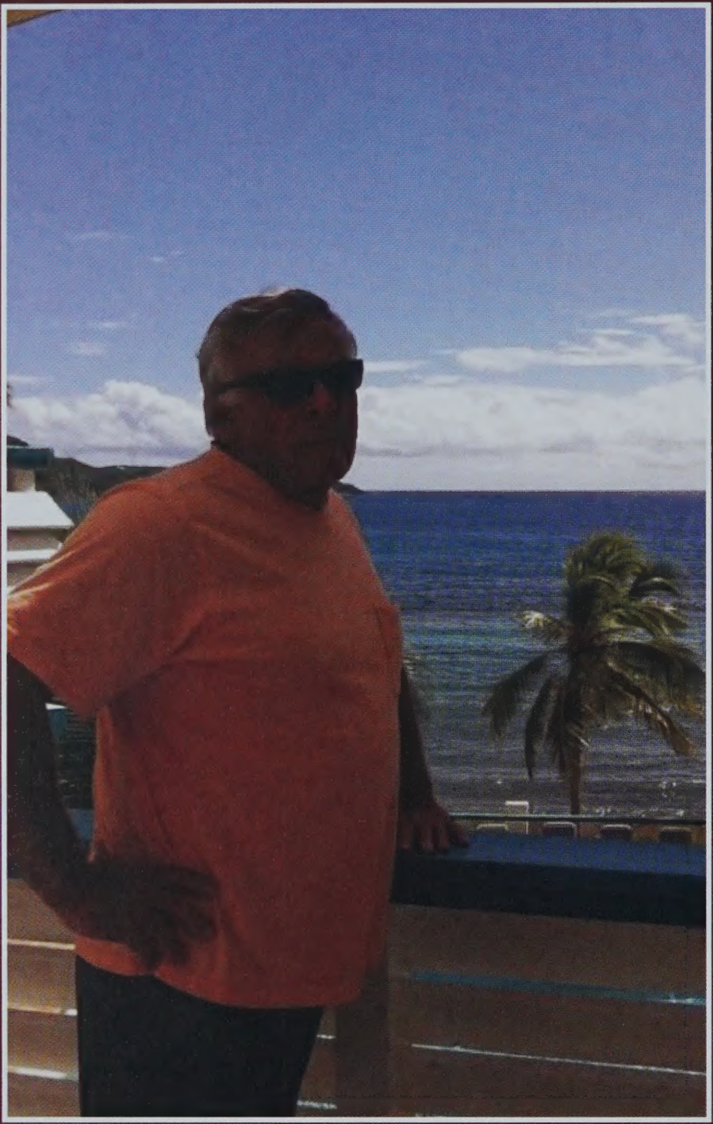
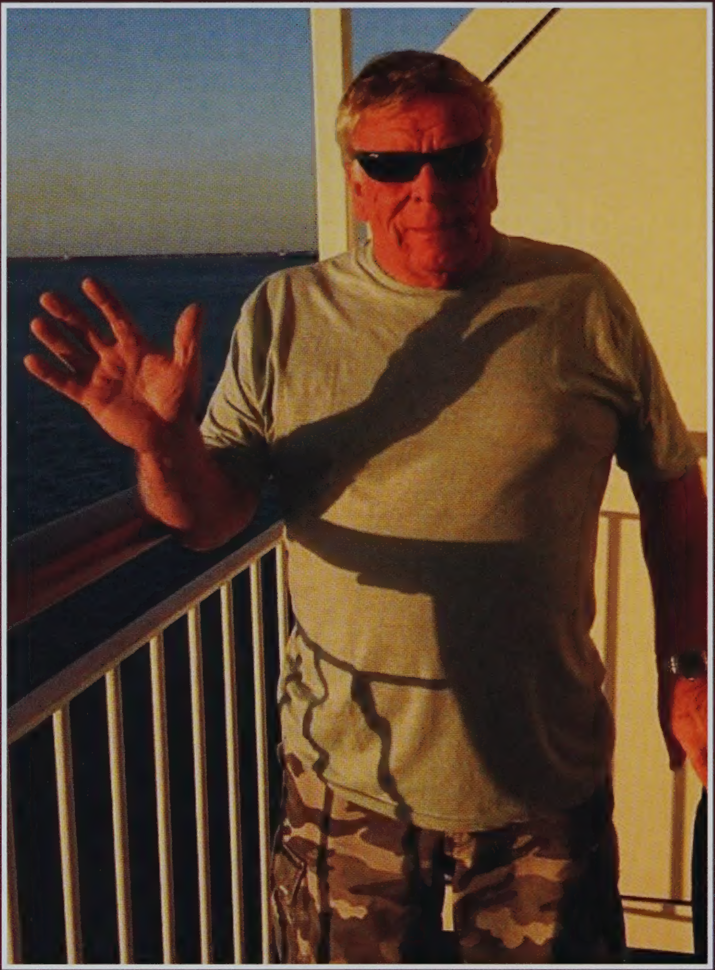
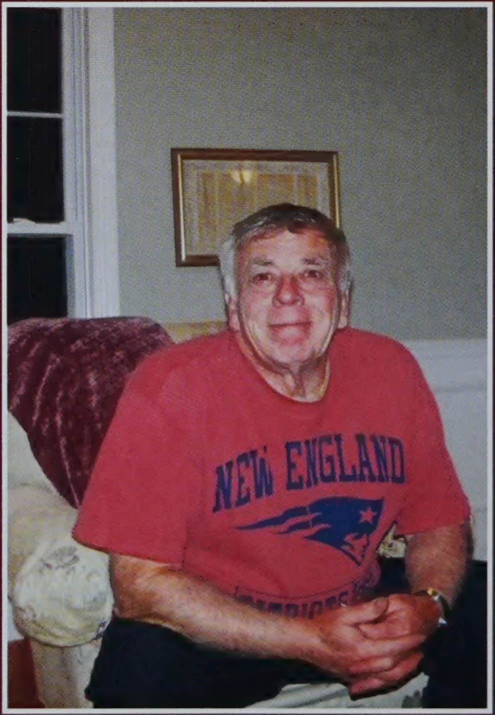
Dedication







The Class of 2020 would like to dedicate their yearbook to William "Bill" Martin. Bill was a member of the Millbury School Department staff for over 25 years as our most beloved maintenance man. Bill was always there to help keep us comfortable, and most importantly, safe. We could always depend on Bill to be there when we needed him. He was OUR maintenance man. He was our friend. He made us smile and laugh more times than you can count. Rest In Peace Bill; we all miss and love you. The school will never be warm without you.

The Varsity Volleyball team started the season with a lot of ambition, hoping to get as far as we did the previous year. With 9 seniors and a team that was very familiar with one another, this goal did not seem too far fetched. All of our hard work got us to the quarter finals, despite the setbacks throughout the season. Although we did not get as far as we had hoped, we came together as a team and we look forward to next season.

The 2019 Fall season went pretty well. Tommy Rembiszewski had a great season, averaging a 37.133 overall. Bringing in a new coach this year, we were not sure how the season was going to go. Fortunately, Mr. Reno stepped in and made it a smooth transition. The team should be strong once again next year with Tommy Rembiszewski and Jack Remuck returning as both the number 1 and number 2. We wish them the best of luck next season.

We had a great fall season! We had first place in our two invitational competitions and we were 2019 SWCL champs. Our team was runner up in Regionals and finished off top ten in the state. Seeing that we lost 3 seniors last year that were a huge asset to our team, we came together as a team and worked hard to accomplish our great season. Our seniors this year were Lily Ezold and Ariana Minney. The captains were Lily Ezold, Keali Dwyer, and Sami Shreenan. It was an amazing season and our seniors will be missed greatly.

The varsity Football team finished the season 10-2 and won the division 6 central Massachusetts Super Bowl. We reached the state semi-finals with the help of our 17 seniors. We suffered two losses on the season and both teams ended up at Gillette Stadium playing for the state title. We ended our season with a win on Thanksgiving day versus Grafton. This was a great accomplishment for our team. Since we are losing 17 seniors, we hope to start rebuilding next year.

We started out the season with three high school students on the team. Thankfully we had one 8th grader and three seventh graders step up and run every meet to improve our record of 7-3. In post season, our team placed 4th in the SWCL championship meet. Three runners placed in the top 20 with Jayden Welch coming in 18th, Becky Goyette in 17th, and Jena Taubert in 3rd. Our team then moved on to the D2 District Championship. As a team, we placed 21st and had four runners in the top 150.

Our regular season went well, and we only lost one meet. We won SWCL C for the fourth year in a row. We also placed third overall at the SWCL meet. Individually, we did well with Dominic Beyer placing 14th, Keegan Gleason placing 4th, and Avinash Bissoondial placing 2nd. At the District E meet, Avinash placed 14th, and Keegan placed 12th, both qualifying for the All- State Meet. At All- States, Keegan placed 95th, and Avinash placed 39th. This was the best school time since 1998!

Overall we had a great regular season ending with a record of 13-3-2. Some big wins during regular season included: Grafton, Shepherd Hill, and BVT. We then popped off during Districts only allowing one goal in three games. We reclaimed our district title against Douglas (3-0). The States tournament began and we beat Lenox to earn a spot in the championship game. We found ourselves playing Millis in the finals again and we turned out victorious with a 1-0 win to become State Champions.

Overall, the boys' varsity soccer team had a pretty good season. The team worked very well together all season and we won our division. We made it to districts as the #5 seed and went on to the district semi-finals. Our biggest accomplishment was overcoming Tyngsboro in a crazy District Quarterfinal game in penalty kicks. The players will never forget this game. Thanks to the coaches for all their dedication to the team and the seniors who will be greatly missed next year.

Our indoor track season went well. The boys had some great accomplishments throughout the season and were able to earn a number of placements. At SWCL, we had good individual placements from Avinash, Keegan, Edwin, Charlie, Joe, and Tyler. The Woolies took second overall at districts. Individual placements were just as good. At state, both Avinash and Edwin placed top 8 in their events. Great job!

The Girls Basketball Team had another successful season, finishing at 21- 3, while playing a tough schedule. With most of the same team returning from the year before, they were ready for a legendary season. They played in a holiday tournament at Newton North High School and got a big win against Hoosac Valley at the Spalding Hoophall Classic. This is only the second time in history that the Millbury Girls Basketball team has been invited to this showcase at Springfield College. They also went undefeated in SWCL for the sixth consecutive season to win another SWCL Championship. In the District tournament, the Lady Woolies beat Lunenburg and Northbridge to reach the District Championship. In the District Championship, they beat a defending champion Millis team 37-26, which made them the Girls Division III Central Massachusetts Champions for the first time since 2011.

This team grew over the years, as we never thought we could even get close to making the Clark Tournament or Districts. Although we may not have the experience this season, we did manage to qualify for the Clark Tourney, and were only one win away from making Districts. As seniors, we are proud to say that we have left the program in a better place. We wish the team the best of luck the next upcoming years and would like to thank the coaches for an unforgettable year.

This season we started with almost a whole new team. We didn't have any seniors and had many new faces. We came in second at SWCL and qualified for Regionals. For the first time in MHS cheer history, we were able to win an award for overall performance. We were able to come very far from tryouts to the end of our competition season, and we are very proud of our team!

We love you now and forever.
